

If You Missed It You Missed Out!

Even though the day was quite chilly and windy, a fun time was had by everyone who attended the 2010 Red Gold Colts Blue Friday event held in Geneva on November 5, from noon to 2pm. The Geneva Red Gold EIT team was on hand serving brats to chilly Colts fans.

The Indianapolis Colts brought their Colts In Motion—Traveling Museum, the Quarterback Challenge, Crusher (the huge inflatable football player), along with two cheerleaders who signed posters, posed for photos with fans and offered calendars for sale. They also collected new and gently used books for the Books for Youth program. The Lombardi Super Bowl Trophy was also on display offering a great photo-op for fans, who had a chance to pose with, and actually touch the football icon.
