

Congratulate your 2007 Certificate Level 1 Green Belt Graduates who have earned the distinction of Peak Practitioner!

We now have more than 90 Green Belt practitioners company-wide. These co-workers of yours are committed to excellence in Continuous Improvement by eliminating non-value added work (costs) and then identifying what's value-added in the products we produce and sell. Talk to the Graduates you work with, Congratulating them, and finding out what this means to each of us and for our customers.
