VIP winners

Red Gold sponsored several giveaways leading up to the event. The VIP prize package included a Meet and Greet and photo opportunity with Paula and her husband. The other giveaways included free tickets to the show and a book signing opportunity.

Proceeds from the event benefitted Sycamore Service, Inc., an agency that provides services to individuals with developmental disabilities and other life challenges.

Red Gold welcomed Paula with the SSR and a sign outside the theater.

Stewie visited with the attendees as they arrived.
